Register now for a weekend in the beautiful Hualapai Mountains. Stay in rustic rock cabins nestled in the pines. (Space and cabins limited). Eat, sleep and share recovery as this year the workshops focus on traditions 11 and 12. Check-in begins Friday at 4 pm and the weekend officially kicks off after dinner at the fireside meeting, so if you have a distance to travel - you have plenty of time.

Cabin space is limited and will be assigned on a first-come first-serve basis. Space is guaranteed if you register by April 3rd. If you prefer to sleep outside, please note this in the note section of the registration form. If you want to share with specific people, you must mail your registration forms in the same envelope. While we will do our best to accommodate everyone, we cannot guarantee specific sleeping arrangements. If you can bring a tent and use or donate it for use, we would be grateful. Since we have grown every year we are expecting a least 50 men this year, so anything that will help for sleeping arrangements will make it better for all (tents, air mattresses, trailers, motor homes, cots, etc.) please note below if you are planning to bring something or if you can provide your own sleeping arrangements. All cabin facilities will be made available to all who participate: bathrooms, showers, refrigerators, etc. Seniors (as in age) and ill participants will be given special consideration. We also have the Rec area again.

Registration includes all meetings, workshop materials, meals (Friday night through Sunday morning) and a retreat T-shirt. This letter is the only one coming this year: the map and a list of what to bring are on the back. **You will receive an email or a phone call confirming your reservation and sleeping arrangements.**

Registration is now \$150 per person (nonrefundable). If paid by Feb. 15th only \$130. A limited number of sponsorships are available. For more information, call Bill at 928 542 9329.
